Position Description:

Under the direction of the District Manager and Superintendent of Operations, the Area Supervisor is responsible for the general, day-to-day, field operations and the implementation of District programs within the respective District Area. The Area Supervisor, supervises, directs and assists field personnel in their daily operational work activities. Employee is a primary contact person with the public regarding mosquito and vector control issues. The position's responsibilities include surveillance, source reduction, chemical and biological control and public education.

Minimum Qualifications:

- **Education and Experience:** Six months experience as a vector control technician and Bachelor's Degree from an accredited four year college or university,
 - OR Six years experience in vector control,
 - OR Substantial academic or field experience in a related field.
- **Licenses, Certifications, Examinations:** Applicant must have a valid California Driver's License and have and maintain a good driving record and be insurable under the District's insurance carrier.
- Applicant must possess the ability to obtain and maintain a Mosquito Control Technician Certificate, a Vertebrate Control Certificate and a Terrestrial Invertebrate Vector Control Certificate from the California State Department of Public Health.
- Applicant must successfully complete a pre-placement physical examination, respirator training, drug screen and background check.

Desired Qualifications:

- Prior experience supervising staff.
- Knowledge of basic off-road equipment maintenance.
- Bilingual

Example of Duties:

- Plans and organizes the work of field inspections and control operations to meet the various seasonal needs and situations of the District Area.
- Assigns field personnel to zones and makes adjustments in assignments as necessary.
- Monitors, inspects and evaluates work performed by field personnel, takes appropriate action as necessary, advises subordinates on problem situations and implements improvement of techniques.
- Instructs field personnel in the scope of their responsibilities and duties and with regard to operating policies of the District as it applies to field operations, and provides training in methods of source inspection, control techniques and safety procedures.
- Is a primary contact person for the public, handles difficult public relations problems encountered by field personnel and works to obtain cooperation with property owners in a courteous and safe manner.
- Insures that assigned equipment is adequate for the job, well maintained and properly used.
- Maintains and inventories supplies and equipment for use in the control program and other related activities.
- Performs the work of a mosquito control technician as circumstances require.

Full Job Description: The full Area Supervisor Job Description can be viewed at <https://www.mosquitobuzz.net/employment>

Examination and Selection Process:

Applicants selected for interviews will be based on an evaluation of qualifying training, education and experience included in the application materials. Meeting minimum qualifications does not guarantee selection for an interview. Those candidates selected for interviews will receive an invite for an in-person or video/teleconference interview to further assess training, experience and ability to perform the duties of the position. Selection will be based on a combined overall assessment of the interview and application. Applicants selected for interviews must be available to interview using an online video/teleconference platform such as Google Meet, Microsoft Teams or Zoom, between 7:00am and 3:30pm (PST), Monday through Friday. Alternative interview times may not be offered.

Applications:

Applications can be downloaded online at <https://www.mosquitobuzz.net/employment> or by requesting one in person by visiting our office.

Interested individuals must submit a cover letter and current resume to the District via postage mail to Consolidated Mosquito Abatement District P.O. Box 784, Parlier Ca, 93648 or e-mail to jholeman@mosquitobuzz.net.
